Editorial Review

Review

The book's use of primary sources to illustrate daily experiences makes it valuable both for the historical and cultural background it presents and for the wide array of Roman voices it includes. Its chapter arrangement and direct, informative style make it an excellent supplementary text for courses on classical literature. The chronology and brief biographies of Roman authors are valuable and uncomplicated resources --Okey Goode, Lewis-Clark State College

A very good, comprehensive introduction to Roman life. Especially valuable are the primary source quotes that let the ancients speak for themselves. I am particularly pleased that the author even probed the treasury of CIL in digging up primary sources. This helps students realize that the treasury of ancient Roman literature is vast, and is handed down to us in various forms. . . the index of authors, which provides a brief biography and list of major works for each, is especially attractive. Students, I feel, will find this index particularly helpful. All in all, a very fine intro. --Keith C. Wessel, Martin Luther College

About the Author

David Matz is Professor of Classical Languages, St. Bonaventure University.

Users Review

From reader reviews:

Ronda Caesar:

This Daily Life of the Ancient Romans are reliable for you who want to become a successful person, why.
