

## Is It Just Me?

By *Miranda Hart*

### Is It Just Me? By Miranda Hart

Well hello to you dear browser. Now I have your attention it would be rude if I didn't tell you a little about my literary feast. So, here is the thing: is it just me or does anyone else find that adulthood offers no refuge from the unexpected horrors, peculiar lack of physical coordination and sometimes unexplained nudity, that accompanied childhood and adolescence?

Does everybody struggle with the hazards that accompany, say, sitting elegantly on a bar stool; using chopsticks; pretending to understand the bank crisis; pedicures - surely it's plain wrong for a stranger to fondle your feet? Or is it just me?

I am proud to say I have a wealth of awkward experiences - from school days to life as an office temp - and here I offer my 18-year-old self (and I hope you too dear reader) some much needed caution and guidance on how to navigate life's rocky path.

Because frankly where is the manual? The much needed manual to life. Well, fret not, for this is my attempt at one and let's call it, because it's fun, a Miran-ual. I thank you.

### Editorial Review

#### Review

As you'd expect, it's very funny indeed... we applaud this bumbling, childish and splendid attempt to create such a guide, which includes Miranda verbally sparring with her 18-year-old self \*\*\*\*\*?*Heat*

This is pure, unadulterated, totally genius, Miranda. A cult (would religion be too weighty a word?) must surely follow, where can we get the T-shirt??*Red Online*

There's probably a bit of Miranda in all of us, and maybe that's why we warm to her. Bear with, bear with, it's hilarious.? *Woman*

The best thing about her book is its universality - it is stuffed with the kind of events with which almost every reader will identify - sometimes with a groan of horrified recognition.? *The Lady*

No one explores the intricacies and agonies of social embarrassment better than Hart.? *Sunday Telegraph*

Navigate the awkwardness of adult life with Miranda Hart's *Is It Just Me*?? *Grazia*

Miranda Hart will carry you along with the sheer force of her charm, bumbling cheer and charisma.? *Sunday Express*

Miranda Hart is the best thing to have happened to British comedy for years, and if you're a fan of her TV series you'll love this book.? *Mail On Sunday*

It's an autobiography but not as we know it - rather than digging up demons and skeletons past, the light-hearted tone feels like catching up with an old friend over a pot of tea.? *The Big Issue*

It will certainly raise what I call a smile in her thousands of fans.? *Daily Mail*

Is Miranda Hart a National Treasure yet? If not, it can only be a year or two before she joins Stephen Fry and Alan Bennett in the trophy cabinet of the country's affections... That personality and voice belong to a uniquely cherished comedian, and the answer to that question in her title is actually, yes - it is just her. Because there's nobody like Miranda.? *Daily Mail*

In her brilliantly funny book, TV's Miranda muses on some of the most challenging, baffling and 'hideola' aspects of life... all the anecdotes are told in her unique style, with regular interjections from her 18-year-old self. Such fun! \*\*\*\*\*?*Star*

In a wonderfully gentle way, this is a hugely funny concept.? *Evening Standard*

I can't wait to get my hands on a copy of Miranda Hart's new book - we should all embrace our inner Miranda gene and learn to laugh at ourselves.? *Daily Express*

Funny and charming and full of terrific comic ideas... Unlike most comedians, she can actually write... Every Christmas there is, at the very most, one celeb book that is genuinely worth buying and reading. Here is this year's. Accept no substitutes.? *The Spectator*

Funniest book I've read. *Company*

Comedy queen Miranda recalls the awkward experiences she has encountered over the years and gives her unique thoughts and advice on dealing with them... Warning: you will laugh out loud on public transport while reading this! \*\*\*\*\* *Closer*

Before reading this, we didn't know the meaning of embarrassing. *Now*

About the Author

Miranda Hart made her mark appearing in shows including *Smack the Pony*, *Absolutely Fabulous* and *Not Going Out*. But when her sitcom *Miranda* burst on to our screens in 2009, her popularity rocketed. Miranda has since been crowned the Queen of Comedy at the British Comedy Awards and the hit series *Miranda* has won two further comedy awards, two RTS Awards, and been nominated for four BAFTAs. Miranda is currently filming a drama for BBC based on the bestselling memoir *Call the Midwife*. The third series of *Miranda* will air in autumn 2012.

## Users Review

**From reader reviews:**

**Edward Crosley:**

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even restricted. What people must be consider when those information which is inside the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take *Is It Just Me?* as your daily resource information.

**Stephen Beatty:**

Playing with family within a park, coming to see the coastal world or hanging out with good friends is thing that usually you may have done when you have spare time, and then why you don't try point that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love *Is It Just Me?*, it is possible to enjoy both. It is very good combination right, you still want to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't understand it, oh come on its identified as reading friends.

**Donald Mobley:**

Do you really one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you just dont know the inside because don't evaluate book by its deal with may doesn't work the following is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside search likes. Maybe you answer might be *Is It Just Me?* why because the amazing

cover that make you consider concerning the content will not disappoint you. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly guide you to pick up this book.

**Lorene Lord:**

Do you like reading a publication? Confuse to looking for your best book? Or your book had been rare? Why so many question for the book? But virtually any people feel that they enjoy intended for reading. Some people likes examining, not only science book but novel and Is It Just Me? or maybe others sources were given expertise for you. After you know how the truly great a book, you feel would like to read more and more. Science e-book was created for teacher or perhaps students especially. Those guides are helping them to put their knowledge. In different case, beside science reserve, any other book likes Is It Just Me? to make your spare time much more colorful. Many types of book like this.
