Review

"This book chronicles his trip to pick up the trailer and his adventures restoring the 46-year old Airstream. Not only do we share with Tim the purchase and restoration of this classic trailer, but he guides us through choosing the right vintage trailer, how to inspect it, and how to restore or refurbish everything from bathtubs to brakes. The technical information is comprehensive with lots of pictures. Tim is a fabulous source of information and an entertaining writer, too."
