Editorial Review

Review

"This is a we-did-it-you-can-too anthology of real couples playing out their fantasies." — Lou Paget, author, *The Big O* -- *From the book cover*

From the Author

Who hasn't fantasized about living the sweet life—or yearned for a life filled with pleasure and satisfaction? We, too, are always searching for that spark of excitement in life—and when it comes to sex, we want that spark to ignite fires.

Between these covers, you will meet many couples who have embraced the sweet life as more than a lovely phrase. They have made their fantasies into reality—even if only for a delicious moment. Some of these fantasies will be delightfully familiar while others emerge as new and inviting. Each offers up a taste of forbidden need, finally unleashed.

These stories are addictive, hot little reads. Girlfriends and wives try on schoolgirl outfits and strap-ons to discover what they've been missing. Boyfriends and husbands become doctors, headmasters, daddies—or simply do as they're told and emerge more satisfied than ever. Lovers confess dark desires and inspire their partners to act on them; sweethearts scheme and take the upper hand. Couples add a woman, a man, or both to their already hot sexual encounters. Passion consistently takes precedent over taboo. There is nothing these lovers won't try for each other, and it's all here in twenty-one expertly crafted, arousingly explicit tales.
