Grade 4 Up?Families who camp, school classes that make treks to outdoor sites, and scout and youth group leaders will find this book to be a detailed compendium for safe, environmentally friendly, and joyous campfire experiences. Guidance is offered for selecting a location; creating wax firestarters (with adult guidance); and building, burning, and dousing campfires. Tips for seating, singing, cooking, storytelling, and conducting science demonstrations are included; fire, hatchet, knife, and cooking safety are given good coverage. Special features include making cooking utensils out of green wood, identifying night sounds, observing and identifying creatures by the shape and glow of their eyes, and both beautiful and silly songs complete with guitar cords. Peppy black-and-white pencil sketches appear throughout. No other current title offers so much information about creating a successful evening in camp.?Kathryn Kosiorek, Cuyahoga County Public Library, Brooklyn, OH

Similar in format to books in the Brown Paper Schoolbook series, this extensive guidebook will entice young readers to pack up their camping equipment, gather up their friends, and head for the nearest campground--even if it is only the backyard. *April Judge*
