#### The Lost Compilation

Aside from the addition of dual passages in the Reading Comprehension section, the format of the LSAT has remained consistent throughout the years. Although the intricacies of the test have evolved, the fundamental logic behind the questions has not changed. The tests in this book will both challenge and stretch you, so that you will be better prepared for any curveballs on test day. Whether you have exhausted your supply of newer PrepTests or you are studying for a retake, this book offers a fresh batch of PrepTests with which to sharpen your skills. It has become increasingly difficult to find these out-of-print tests; now you can get them all in one book.
