

## Basic Theology: A Popular Systematic Guide to Understanding Biblical Truth

By Charles C. Ryrie

### Basic Theology: A Popular Systematic Guide to Understanding Biblical Truth By Charles C. Ryrie

Everyone is a theologian of sorts. Theology simply means thinking about God and expressing those thoughts in some way. But sloppy theology is a problem.

As Christians, our thoughts about God need to coincide with what He has said about Himself in the Bible. With his clear understanding of the Scriptures and accessible writing style, Charles Ryrie has written *Basic Theology* for every student of God's Word, from the lay reader to the seminary student.

Within these pages, you'll find:

- A systematic overview of the Bible's major doctrines, including God, the Bible, the Holy Spirit, Jesus Christ, the church, Satan, sin, salvation, man, angels, demons, events to come, and more
- A glossary of theological terms
- A list of key Scripture passages for the study of theology

Featuring charts, definitions, and Scripture and subject indices, *Basic Theology* will give you a clear and comprehensive picture of Ryrie's approach to systematic theology. Its 94 chapters are arranged in outline style for easy reference. Considerable emphasis is given to explaining the dispensational view of the end times.
