Verity Michaels is new to New York City, but even she knows riding in a stolen cab is not a normal way to meet someone. Damn it if that tattoo-covered would-be felon isn't everywhere now, and lighting everything on fire under her skirt.

His name is Hudson Fenn, and he's frustratingly impossible to pin down. He works as a bike messenger, but has the manners of a prince—along with a strange tendency toward breaking and entering. As much as Verity knows he's not her type, and likely to land her in jail, she can't help but find her truest self when they're together.

Can she be brave enough to give Hudson a real chance? Will he be bold enough to reveal the man beneath the ink, or will his secrecy doom their connection? Also, WTF is the deal with Verity's boss? No less than thirteen of your favorite romance writers have teamed up to tell this sexy, wacky, snort-inducing tale. With them you'll visit the world's most irritating office, a VIP room of questionable cleanliness, and the fanciest apartment a bike messenger has ever inhabited, but you'll still never see this ending coming.

### REVIEWS

"Original. Fresh. Hilarious. Pure Genius. Can 13 authors pull off one seamless and epic love story? With no script or outline? The answer is confidently YES! #PoundHudson? #BestHashtagsever?" The Rock Stars of Romance

"Felony Ever After was a hell on wheels taxi ride with lots of hot sex, some crazy funny tweets, a hero to swoon over, some mystery and a bit of ridiculousness. There was a bit of everything in this light-hearted, steamy funny romp that took us in some very whacky directions! We really enjoyed this crazy-arsed ride!" Totally Booked Blog

"I was impressed with this book. Each author paid meticulous attention to the characters personalities as they developed. They added multiple layers to each character that stayed in sync with the other authors contributions. As for what each author added in their chapters kept the story moving, taking surprising turns, yet stayed cohesive to the over all theme in the book." Smut Book Junkie

"Felony Ever After is like the Ocean`s Eleven of the books! 13 amazing authors joined forces to write one helluva book! FEA is funny, sexy and drama free. Don`t be mistaken thinking this novel is an anthology, it is one only story written by all these incredibly talented authors. Even though I could notice the difference between their writing styles, there was fluidity in the story. The plot always made sense and every author added their own touch to the story that made it more and more interesting within every new chapter! It was really awesome!" Collector of Book Boyfriends

"This book is a true caper that will have you laughing until you cry. I totally loved what each author brought to the story and these characters. Felony Ever After is never for a single second predictable – you are on the edge of your seat as the story unfolds. Don`t even think twice – one-click this book and savor every word like the best piece of chocolate." Literary Gossip
