By Emad Qayed MD

Gastroenterology Clinical Focus: High yield GI and hepatology review, for boards and practice By Emad Qayed MD

Introduction:

- In today's busy and fast-paced world, there is a great need for a clinically oriented and comprehensive GI review book that is simple and to the point.
- *Gastroenterology Clinical Focus* has concise summaries of the most relevant gastroenterology and hepatology topics.

Content:

- The content focuses on the diagnosis and management of GI disorders, including *general GI, hepatology, and IBD*.
- There is a strong emphasis on the following aspects of the specialty:
 - The most recent advancements in gastroenterology.
 - Current practice guidelines to enhance patient care.
 - High-yield topics for the GI boards.
- Target readers:
 - GI trainees
 - Practicing gastroenterologists
 - GI midlevel providers
 - Residents on GI and hepatology consult rotations

Unique book features:

- **Summarized information** in the form of easy-to-read bulleted text, tables, figures, and illustrations. The text covers all aspects of GI disease, including pathophysiology, clinical presentation, diagnosis (radiology, pathology, and endoscopy) and management.
- **"Guideline highlight"** sections are presented at the beginning of many topics. These highlights reference the current guideline(s) and provide a scannable QR code for quick access to the free text of the guideline from your smartphone or tablet.
- **"Study highlight"** sections are presented throughout the book. These highlights describe important clinical studies that address the specific topic presented in the text.
- **More than 20 endoscopic teaching videos** embedded in QR codes that can be immediately accessed with a wireless-enabled smartphone or a tablet. Videos

demonstrate important endoscopic findings as well as therapeutic techniques.

Summary:

- *Gastroenterology Clinical Focus* is your best choice for GI boards, in-training and recertification exam preparation.
- Beyond traditional board review, this book will enhance your knowledge of gastroenterology and enable you to better care for patients in your daily GI clinical practice.

Editorial Review

About the Author

Emad Qayed, MD is an assistant professor of medicine in the Division of Digestive Diseases, Department of Medicine at Emory University in Atlanta, GA.

After completing medical training at the University of Jordan in Amman in 2004, Dr. Qayed finished a one-year internship at the Ministry of Health Hospitals in Amman, followed by one year of transitional medicine residency in the King Hussein Cancer Center in Amman, Jordan.

Dr. Qayed completed his medicine residency and gastroenterology fellowship training at Emory University in 2012. He is board certified in Internal Medicine and Gastroenterology. Following graduation, he joined the faculty at Emory. In 2013, Dr. Qayed was named by GI fellows as 'Attending of the Year' in the Division of Digestive Diseases.

Dr. Qayed is a general gastroenterologist who works closely with gastroenterology trainees. He sees a diverse spectrum of patients with gastrointestinal and liver disorders at Grady Memorial Hospital in downtown Atlanta. Dr. Qayed performs general endoscopic procedures as well as therapeutic ERCP, enteral stenting and endoscopic mucosal resection (EMR).

A member of the American College of Gastroenterology, the American Gastroenterology Association, and the American Society of Gastrointestinal Endoscopy, Dr. Qayed is currently enrolled in the MPH program at the Rollins School of Public Health at Emory University.

Users Review
