Local Planning: Contemporary Principles and Practice From Brand: Intl City County Management Assn

Local Planning is the all-new edition of the popular book, *The Practice of Local Government Planning*, which has been the valued resource for preparing for the AICP exam. This new edition helps the reader understand the complexities of planning at the local level, and prepare to make decisions in a challenging environment. The eight chapters in *Local Planning*, roughly spanning from context to applications, consists of articles written by a wide range of experts—academics, practitioners, clients, and observers of planning. Many examples of planning in action illustrate central principles.
