Princess Sultana's Circle (Princess Trilogy) By Jean Sasson

With Princess Sultana's Circle, the extraordinary story of Princess Sultana continues. The forced marriage of Sultana's niece to a cruel and depraved older man, and Sultana's discovery of the harem of sex slaves kept by a royal cousin, makes this brave royal princess more determined than ever to fight the oppression of women in Saudi Arabia. Princess Sultana's cause is given an extra sense of urgency against the background of increased dissent against the Al Sa'uds, and the looming spectre of Islamic fundamentalism. But an extended family camping trip in the desert brings the luxury-loving Sultana and relatives closer to their nomadic roots, and gives her the strength to carry on the fight for women's rights in all Muslim countries. This book paints a horrifying reality for women of the desert kingdom. It is a haunting look at the danger of Saudi male dominance and the desperate lives of the women they rule.

Editorial Review

From [Booklist](#)

Sasson and Saudi Princess Sultana follow their earlier accounts of social oppression of women in Arabia with one that focuses on the Saudi royal family and how, despite its wealth and relative freedom from social conventions, its men continue to oppress women. Specific instances include the forced marriage of a young niece to a brutal older man and a cousin's harem of sex slaves. The royal women react with varying degrees of acceptance; an occasional, minor rebellion; and alcohol and drug abuse. Although Sultana's husband is a more enlightened man, she reveals that even she has a drinking problem, brought on by the stress of helplessly witnessing inequities. Sasson and Sultana also detail Islamic culture and teachings and the contradictions between what the Koran teaches regarding women and the cultural interpretations made by men in Saudi society. Sultana has two daughters. One, like her, resists the male-dominated culture, but the other is so traditional that it frightens Sultana. Gossipy but insightful. *Vanessa Bush*
