### Seven Lonely Places, Seven Warm Places: The Vices and Virtues for Children By April Bolton

With imaginative illustrations that give small children concrete, immediate examples of the seven sins, this book explains how Pride, Greed, Envy, Anger, Lust, Gluttony and Sloth can make us very lonely people. Then it offers the cure, the four cardinal and three theological virtues--Prudence, Justice, Courage, Temperance, Faith, Hope and Charity--that can mend relationships and rebuild what sin has broken.

#### From the Publisher

Virtue and vice are hard to explain, especially to little ones who always ask why they must share or say "thank you," and why they must not be angry or eat all the cookies. When "because I said so" is no longer enough, it is time for *Seven Lonely Places, Seven Warm Places*.

Beyond the tired preaching and moralizing that are part of every parent's day, offer your child the warmth of virtue, with this gentle, charming book, and revisit for yourself that virtuous feeling of loving and being loved.
