The Screaming Staircase (Lockwood & Co.) By Jonathan Stroud

A sinister Problem has occurred in London: all nature of ghosts, haunts, spirits, and specters are appearing throughout the city, and they aren't exactly friendly. Only young people have the psychic abilities required to see-and eradicate-these supernatural foes. Many different Psychic Detection Agencies have cropped up to handle the dangerous work, and they are in fierce competition for business.

In *The Screaming Staircase*, the plucky and talented Lucy Carlyle teams up with Anthony Lockwood, the charismatic leader of Lockwood & Co, a small agency that runs independent of any adult supervision. After an assignment leads to both a grisly discovery and a disastrous end, Lucy, Anthony, and their sarcastic colleague, George, are forced to take part in the perilous investigation of Combe Carey Hall, one of the most haunted houses in England. Will Lockwood & Co. survive the Hall's legendary Screaming Staircase and Red Room to see another day?

Readers who enjoyed the action, suspense, and humor in Jonathan Stroud's internationally best-selling Bartimaeus books will be delighted to find the same ingredients, combined with deliciously creepy scares, in his thrilling and chilling Lockwood & Co. series.

Praise for Screaming Staircase, The

"This story will keep you reading late into the night, but you'll want to leave the lights on. Stroud is a genius at inventing an utterly believable world which is very much like ours, but so creepily different. Put *The Screaming Staircase* on your 'need to read' list!"

-Rick Riordan

"A pleasure from tip to tail, this is the book you hand the advanced readers that claim they'd rather read *Paradise Lost* than *Harry Potter*. Smart as a whip, funny, witty, and honestly frightening at times, Stroud lets loose and gives readers exactly what they want. Ghosts, kids on their own without adult supervision, and loads of delicious cookies."

-Elizabeth Bird, *School Library Journal*

"Stroud shows his customary flair for blending deadpan humor with thrilling action, and the fiery interplay among the three agents of Lockwood & Co. invigorates the story (along with no shortage of creepy moments)."

-Publishers Weekly

"Three young ghost trappers take on deadly wraiths and solve an old murder case in the bargain to kick off Stroud's new post-Bartimaeus series. The work is fraught with peril, not only because a ghost's merest touch is generally fatal, but also, as it turns out, none of the three is particularly good at careful planning and preparation. A heartily satisfying string of entertaining near-catastrophes, replete with narrow squeaks and spectral howls."

-Kirkus Reviews

"...Stroud writes for a younger audience in book one of the Lockwood & Co. series and delivers some chilling scenes along the way."

Editorial Review

From School Library Journal

Gr 6-9—Lucy Carlyle relates the exploits of the teenage ghost-hunting agency, Lockwood & Co. The world is still reeling from an infestation of malevolent, deadly ghosts that can only be detected by Talented youngsters with rare psychic sensitivities. Anthony Lockwood heads his three-person team, including Lucy and George Cubbins, in their efforts to defeat the evil spirits—and remain solvent. A minor haunting that turns into a major problem leads Lockwood & Co. to a brooding mansion that has already claimed the lives of more experienced ghost hunters. Combe Carey Hall is “the most haunted private house in England... an ugly oppressive mongrel of a building,” and the trio quickly realizes that the dangers they face have human as well as supernatural sources. Authentically spooky events occur in an engagingly crafted, believable world, populated by distinct, colorful personalities. The genuinely likable members of Lockwood & Co. persevere through the evil machinations of the living and the dead and manage to come out with their skins, and their senses of humor, intact. This smart, fast-paced ghostly adventure promises future chills.—Janice M. Del Negro, GSLIS Dominican University, River Forest, ILα(c) Copyright 2013. From [Booklist](#)

Fifty years after the Problem began in London, it has slowly spread through the country. The public dreads Visitors, malevolent ghosts that can be directly sensed only by children. Young Lucy Carlyle joins Anthony Lockwood and George Cubbins to become Lockwood & Co., three kids using rapiers, iron chains, and magnesium fire to handle Visitors. After they bungle a job by inadvertently burning down a house, their company faces imminent ruin. Their last hope of saving it involves accepting a dicey assignment in one of England's most haunted houses. Despite the necessary time spent framing the series, Stroud ratchets up the tension considerably when the trio goes to work. Still, the most satisfying parts of the book concern the three intriguing main characters and the dynamics of their not-quite-comfortable relationship. Best known for the Bartimaeus books, beginning with *The Amulet of Samarkand* (2003), Stroud writes for a younger audience in book one of the Lockwood & Co. series and delivers some chilling scenes along the way. HIGH-DEMAND BACKSTORY - Stroud made many fans with the Bartimaeus books, and his even though this is for a younger audience, his name carries weight with librarians, teachers, and parents. Grades 4-7. --Carolyn Phelan

From reader reviews:

Alberta Sanchez:

Precisely why? Because this *The Screaming Staircase* (Lockwood & Co.) is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your skill and your critical thinking means. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.

Stanley Kamp:

Do you have something that you want such as book? The guide lovers usually prefer to select book like comic, small story and the biggest one is novel. Now, why not seeking *The Screaming Staircase* (Lockwood & Co.) that give your fun preference will be satisfied simply by reading this book. Reading addiction all over the world can be said as the opportunity for people to know world far better then how they react in the direction of the world. It can't be claimed constantly that reading behavior only for the geeky particular person but for all of you who wants to end up being success person. So , for every you who want to start examining as your good habit, it is possible to pick *The Screaming Staircase* (Lockwood & Co.) become your current starter.

Andre Rosier:

Do you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Aim to pick one book that you just dont know the inside because don't judge book by its handle may doesn't work the following is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer might be *The Screaming Staircase* (Lockwood & Co.) why because the excellent cover that make you consider with regards to the content will not disappoint anyone.

The inside or content is definitely fantastic as the outside or maybe cover. Your reading sixth sense will directly guide you to pick up this book.

Sharon Wilson:

Many people spending their moment by playing outside together with friends, fun activity with family or just watching TV the whole day. You can have new activity to spend your whole day by reading a book. Ugh, do you think reading a book really can hard because you have to accept the book everywhere? It alright you can have the e-book, getting everywhere you want in your Smart phone. Like The Screaming Staircase (Lockwood & Co.) which is finding the e-book version. So , why not try out this book? Let's notice.
