Dom's Guide To Submissive Training Vol. 3: How To Use These 31 Everyday Objects To Train Your New Sub For Ultimate Pleasure & Excitement. A Must Read ... Relationship (Men's Guide to BDSM) (Volume 3) By Elizabeth Cramer

You may think that every Master has a huge house filled with either gothic décor or fluffy white couches, and a ridiculously full selection of paddles, straps, whips, crops, restraints, sex toys, and bondage gear.

Fortunately, **you don't have to pay a hundred dollars** for a specialty flogger or purchase a wedge from Extreme Restraints for three hundred bucks in order to be a great Dom and provide your sub with hours of bondage, spanking and fun.

Most of the things you need to give your submissive the spanking of a lifetime, a punishment to fit the crime, or just an incredible bondage experience can be **found right in your own home**. Your sub will not only enjoy the variety of experiences in her sessions but also appreciate your creativity.

"**Dom's Guide to Submissive Training Vol. 3**" gives you **31 common objects** you already own or can purchase for minimal cost and keep right out in the open that will **enhance your BDSM relationship and provide you and your sub hours of pleasure**.

Aside from the cost savings, there is another benefit to using everyday objects in your BDSM training and session fun – **discretion**. Not every person can be seen walking down the street or through an airport with a leather whip in his hand or a wooden paddle in his bag. Many Doms must conceal their activities from employers, social circles, or vanilla spouses. Common objects make it easier to engage in important rituals without detection.
