Ice Queen (Futanari Erotica Fairy Tales)

Katya had an almost perfect life. She was a princess, had parents who cared for her and a little sister she loved with all her heart but it all crashed down the day Tatiana got sick.

The princess became desperate, trying to find out some way to save her sister, but she always failed until she contacted the Ice Queen and found a cure. Unfortunately it had a price – Katya herself.

That day she sacrificed herself for her little sister.

She just couldn't have known what her sacrifice would lead to or that it would be as pleasurable as the Ice Queen made it, but in the end it was for the best.

Ice Queen is a book in the Futanari Erotica Fairy Tales series. Features futanari (dickgirl) sex, breeding (impregnation), futa on female and magical transformation. For adults only!
