**They call me Killer.**

Killer Kellan. It's a name I earned in Afghanistan, before I ever set foot in a ring.

I've been a screw-up my entire life, but joining the Marines was supposed to straighten me out. Instead, all it did was make me dangerous.

Now that I was back home, I had nothing to offer anyone but pain. No path in my future leading to anything but misery. You'd think I'd have just accepted my fate. That I would have just learned to be content with banging the random ring girls that were always waiting for me in the winner's room.

But it wasn't enough.

Instead, I put it all on the line when Parker *fucking* Jones showed up in my life.

And now, nothing is ever going to be the same again.

\*\*\*This is a stand-alone novel with an HEA. Also, as an added bonus, this copy of Kellan includes the entire novel *Fighting for Salvation*, another MMA Romance that I wrote with Aubrey St. Clair!\*\*\*
