

Qualitative Inquiry and Research Design: Choosing Among Five Approaches

By John W. Creswell

Qualitative Inquiry and Research Design: Choosing Among Five Approaches By John W. Creswell

In this **Third Edition** of his bestselling text John W. Creswell explores the philosophical underpinnings, history, and key elements of each of five qualitative inquiry traditions: narrative research, phenomenology, grounded theory, ethnography, and case study. In his signature accessible writing style, the author relates research designs to each of the traditions of inquiry. He compares theoretical frameworks, ways to employ standards of quality, and strategies for writing introductions to studies, collecting data, analyzing data, writing a narrative, and verifying results.

Editorial Review

Review

"This text provides a wonderful introduction, using accessible language, to theories and practices related to the design and conduct of qualitative inquiry. Moreover, it remains a good first resource for students who want to pursue qualitative inquiry; that is, they can return to this text to review fundamental concepts and to find references to other resources about specific topics, approaches, and strategies." (Carey E. Andrzejewski 2011-10-28)

"Students find Creswell's books very "user friendly". They like his writing style, clear ideas, and simple enough language. At the same time, the book presents in-depth information, but because this information is stated in clear simple terms, it makes it easier for the students to comprehend it without difficulty." (Nataliya V. Ivankova 2011-10-28)

"A very welcome addition to doctoral courses and bookshelves!" (Jeannine E. Klein 2011-10-28)

"I've never found one I like better!" (Trudy Salsberry)

"Clean and comprehensive. Easy for students to follow." (David R. Osborn)

About the Author

John W. Creswell, PhD is an Professor of Family Medicine and Co-Director, Michigan Mixed Methods Research and Scholarship Program at the University of Michigan. He has authored numerous articles and 27 books on mixed methods research, qualitative research and research design. While at the University of Nebraska-Lincoln, he held the Clifton Endowed Professor Chair, served as director of a mixed methods research office, founded the SAGE journal, the *Journal of Mixed Methods Research*, and was an Adjunct Professor of Family Medicine at the University of Michigan and a consultant to the Veterans Administration health services research center. He was a Senior Fulbright Scholar to South Africa in 2008 and to Thailand in 2012.
