The NEW Spiritual Chakras: and How To Work With Them By Elizabeth Joyce

Is it possible that all the knowledge of the universe is stored within us? Within in the atoms, molecules and cells that becomes our physical living self and each living moment, molded in our genes and DNA? Are we then able to process our cellular memory and DNA automatically and unconsciously with our brain? In this century we have come to believe that it is possible and that there may be a way to "access" this universal knowledge through a lost system which perhaps the ancient wise men had developed and applied to answer the fundamental questions: "Who are we? What are we? Where do we come from?" I believe the answer to further soul development lies between these pages. At least it is a step to knowing and accessing other worlds and universes, finding a way to have compassion, forgiveness, and finally to walk the path of balance, health, fulfillment, helping others, and embracing our differences without judgment. We can raise our consciousness to highest levels by developing an overall worldview, by embracing a world that transcends illusions. Doing this will overcome even the final hurdle of inner consciousness—its first shock of separating and the split. This is the first duality of the whole of consciousness and manifests in our right/left hemisphere split. How do we transcend that highest of inner rifts? We do so by putting the wisdom of the right hemisphere, its connective consciousness, above the left-brain's lower separation consciousness. The former evolves from realizing, accessing, and opening our new spiritual chakras. The later evolves a purely mathematical, mechanical dominating worldview. We really need to make accessing our higher self, our second consciousness, instead of the other way around. Then we can connect what is most separate and harness the mechanical Third Dimension reality for the benefit of our life and those around us. We grow and our consciousness expands as well as our spiritual gifts. Although this information has been with us all along, we are now able to, for the first time in eons, access these energies and apply them to ourselves by working with our Spiritual Chakras. This is an invaluable gift for us, as well as for others. Perhaps we have found one of the answers to creating harmony within, leading to World Peace!
