By Charles Bukowski Women [Paperback] By

Women is a 1978 novel written by Charles Bukowski, starring his semi-autobiographical character Henry Chinaski. In contrast to Factotum, Post Office and Ham on Rye, Women is centered on Chinaski's later life, as a celebrated poet and writer, not as a dead-end lowlife. It does, however, feature the same constant carousel of women with whom Chinaski only finds temporary fulfillment.
