Expert Oracle Application Express By John Scott, Doug Gault, Raj Mattamal, Anton Nielsen, Martin DSouza, Dimitri Gielis, Roel Hartman, Francis Mignault, Dietmar Aust, Michael Hichwa, Denes Kubicek, Dan McGhan, Sharon Kennedy

Expert Oracle Application Express brings you groundbreaking insights into developing with Oracle's enterprise-level, rapid-development tool from some of the best practitioners in the field today. Oracle Application Express (APEX) is an entirely web-based development framework that is built into every edition of Oracle Database. The framework rests upon Oracle's powerful PL/SQL language, enabling power users and developers to rapidly develop applications that easily scale to hundreds, even thousands of concurrent users.

The 13 authors of *Expert Oracle Application Express* build their careers around APEX. They know what it takes to make the product sing?developing secure applications that can be deployed globally to users inside and outside a large enterprise. The authors come together in this book to share some of their deepest and most powerful insights into solving the difficult problems surrounding scalability, globalization, configuration and lifecycle management, and more. You'll learn about debugging and performance, deep secrets to customizing your application user interface, how to secure applications from intrusion, and about deploying globally in multiple languages. *Expert Oracle Application Express* is truly a book that will move you and your skillset a big step towards the apex of Application Express development.

- Presents best-practices and development insights from leading experts in the field
- Addresses globalization, scalability, security, and other concerns of enterprise-level development
- Shows how to customize APEX for your own application needs

Editorial Review

About the Author
John Edward Scott has been using Oracle since version 7 (around 1993), and has used pretty much every release since then. He has had the good fortune to work on a wide range of projects for a varied group of clients. He was lucky enough to start working with Oracle Application Express when it was first publicly released, and has worked with it nearly every day since (and loves it). John is an Oracle ACE Director and was named Application Express Developer of the Year in 2006 by Oracle Magazine. He is also the cofounder of ApexEvangelists (Apex-Evangelists.com), a company that specializes in providing training, development, and consulting specifically for the Oracle Application Express product. You can contact John at john.scott@apex-evangelists.com.

Users Review

From reader reviews:

Roy Larson:

The book Expert Oracle Application Express give you a sense of feeling enjoy for your spare time. You need to use to make your capable much more increase. Book can to be your best friend when you getting pressure or having big problem with the subject. If you can make reading through a book Expert Oracle Application Express to get your habit, you can get much more advantages, like add your current capable, increase your knowledge about some or all subjects. It is possible to know everything if you like wide open and read a book Expert Oracle Application Express. Kinds of book are a lot of. It means that, science reserve or encyclopedia or some others. So , how do you think about this book?

Serafina Hayes:

Reading a reserve tends to be new life style within this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Along with book everyone in this world may share their idea. Publications can also inspire a lot of people. Lots of author can inspire their very own reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this Expert Oracle Application Express.

Jennifer Crawford:

Often the book Expert Oracle Application Express has a lot associated with on it. So when you make sure to read this book you can get a lot of profit. The book was authored by the very famous author. Mcdougal makes some research before write this book. That book very easy to read you may get the point easily after

reading this book.

Susan Bannister:

Many people said that they feel uninterested when they reading a guide. They are directly felt it when they get a half areas of the book. You can choose the actual book Expert Oracle Application Express to make your own personal reading is interesting. Your own personal skill of reading ability is developing when you like reading. Try to choose very simple book to make you enjoy you just read it and mingle the idea about book and examining especially. It is to be initial opinion for you to like to start a book and learn it. Beside that the reserve Expert Oracle Application Express can to be your brand new friend when you're experience alone and confuse using what must you're doing of that time.
