**Medical Physiology: With STUDENT CONSULT Online Access, 2e (MEDICAL PHYSIOLOGY (BORON))** By Walter F. Boron MD PhD, Emile L. Boulpaep MD

The updated 2nd edition of this accessible and in-depth resource firmly relates molecular and cellular biology to the study of human physiology and disease. Leading physiologists present you with practical, accurate coverage, continually emphasizing the clinical implications of the material. Each chapter explains the principles and organization of each body system, while more than 800 high-quality, full-color line drawings and prominently featured clinical examples clarify every concept. This exceptionally detailed and comprehensive guide to physiology is ideal for a rich, straightforward, state-of-the-art understanding of this essential subject.

- Provides clinical examples of disordered physiology in prominent boxes throughout the text for at-a-glance access to important content.
- Clarifies concepts with the use of 800 color drawings that feature balloon captions explaining key processes.
- Presents material in a consistent style to make the text readable and easy to understand.
- Offers a practical organization by body system for an intuitive and accessible approach to physiology.
- Features access to the complete contents of the book online, plus a full image collection, animations, 150 review questions, and supplemental web notes for more detailed information.
- Keeps you current with updated material, including a new chapter on Physiology of Aging and a new section on hemostasis.
- Offers the latest visual guidance with a revised and updated art program.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should online

access to the web site be discontinued.

### **Editorial Review**

#### Review

“Clearly links the molecular and cellular biological foundations of physiology to organ-system physiology, as well as its aberrations that become disease. Designed to show ‘expertise of a multi-author book with the consistency of a single pen’ the editors sought Yale professors of physiology and then recast their manuscripts into uniform style to become a reliable resource for medical students. The excellent color illustrations can reduce the need for additional hand-outs.”

-Comprehensive Therapy, review of previous edition

### **Users Review**

#### **From reader reviews:**

##### **Lila Johnson:**

Now a day people that Living in the era just where everything reachable by connect to the internet and the resources within it can be true or not demand people to be aware of each info they get. How people have to be smart in acquiring any information nowadays? Of course the correct answer is reading a book. Looking at a book can help men and women out of this uncertainty Information specially this Medical Physiology: With STUDENT CONSULT Online Access, 2e (MEDICAL PHYSIOLOGY (BORON)) book since this book offers you rich data and knowledge. Of course the information in this book hundred % guarantees there is no doubt in it you know.

##### **Brenda Burrows:**

This book untitled Medical Physiology: With STUDENT CONSULT Online Access, 2e (MEDICAL PHYSIOLOGY (BORON)) to be one of several books this best seller in this year, that's because when you read this book you can get a lot of benefit in it. You will easily to buy this specific book in the book retailer or you can order it by means of online. The publisher in this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Mobile phone. So there is no reason for your requirements to past this guide from your list.

##### **Lynn Lambert:**

The book untitled Medical Physiology: With STUDENT CONSULT Online Access, 2e (MEDICAL PHYSIOLOGY (BORON)) contain a lot of information on the item. The writer explains the girl idea with easy technique. The language is very straightforward all the people, so do not necessarily worry, you can easy to read this.
