

## Midian Unmade: Tales of Clive Barker's Nightbreed

*From Tor Books*

**Midian Unmade: Tales of Clive Barker's Nightbreed** From Tor Books

**Nominated for the 2015 Bram Stoker Award for Best Anthology!**

An all-original horror anthology set in the world of Clive Barker's cult film masterpiece, *Nightbreed*, and including stories by Seanan McGuire, Amber Benson, Karl Alexander, Nancy Holder, and more!

Clive Barker's *Nightbreed* has been controversial since the moment it was released in a version edited by the studio and roundly condemned by Barker, who wrote and directed the film. A virtually instant cult film, *Nightbreed*--based on Barker's novella, *Cabal*--was nominated for three Saturn Awards and won several prizes at European film festival.

The impact of *Nightbreed* goes beyond the screen; along with *Cabal* and Barker's seminal *The Books of Blood*, it has inspired many horrorwriters, some of whom have gathered in this tribute anthology.

*Midian Unmade* tells the stories of the *Nightbreed* after the fall of their city, Midian. Driven from their homes, their friends and family members slain before their eyes, the monsters become a mostly-hidden diaspora. Some are hunted; others, hunters. Some seek refuge. Others want revenge.

Contributors to *Midian Unmade* include: Karl Alexander, author of the classic novel *Time After Time*; actor, writer, and director Amber Benson (Tara Maclay on *Buffy the Vampire Slayer*); New York Times bestselling author Nancy Holder; Hugo and John W. Campbell Award-winner Seanan McGuire; Bram Stoker Award winner Weston Ochse, David J. Schow, winner of the World Fantasy Award, writer of the screenplay for *The Crow*; New York Times bestselling writer Stephen Woodworth; and many more--23 stories in all.

With an introduction by Clive Barker, this is an outstanding collection of original horror short stories in a dazzling variety of styles.
