

# Astrologia, Psicologia e os Quatro Elementos (Portuguese Edition)

By Mary Paterson

**Astrologia, Psicologia e os Quatro Elementos (Portuguese Edition)** By Mary Paterson

Uma fascinante introdução à relação entre astrologia e psicologia moderna, e do uso da astrologia como método prático para compreender de que modo nos sintonizamos com as forças do Universo. Stephen Arroyo explica como a astrologia pode ser um instrumento extremamente útil para a compreensão de nós mesmos e dos outros, além de explicar as técnicas e significados tradicionais de uma perspectiva que abrange a compreensão das energias inerentes a todos os processos da vida. Ao apresentar esse novo modelo da astrologia psicológica, Arroyo oferece instruções práticas para a interpretação de fatores astrológicos com muito mais profundidade do que se costuma encontrar nos manuais de astrologia.
