### Harold the Haunted Doll: The Terrifying, True Story of a Child's Encounter with The Prince of Hell! By Anthony Quinata

How did such an innocent looking doll become the source of terror around the world? "It's not a real doll, mummy. It wants you to think it's a girl's doll, but it's not. It has a black heart." "Vincent" A victim of Harold's attacks 2014-2015 What is the truth behind this seemingly harmless doll? Is it haunted? Is it cursed? Possessed? Or are the stories about it nothing more than a hoax? After winning the doll on eBay in 2004, Anthony Quinata decided to search for the answer to these questions. Starting from scratch, he described it as a "1,000 piece puzzle with 1,000 pieces missing and no picture to go on." In 2005, convinced that something diabolical was going on with the doll, he took it out of the public eye, hiding it in a storage unit. In 2013, realizing that interest in the doll was still high, he decided to resume his investigation, and his quest to find the truth; no matter where it led him. Determined to separate fact from fiction, his search ultimately led him to a confrontation with Evil itself and the discovery of who really owns the doll. "Extremely creepy and unsettling. If you believe in the paranormal, this frightening account is well documented and presented. If you don't believe or are skeptical, it's still an enjoyable book that is likely to unnerve you." Fiona Dodwell Author of Obsessed and Nails." Contains more than 20 pictures, rarely, or never been seen, in public!

#### About the Author

Anthony Quinata was born on Guam, a tiny island in the South Pacific. His fascination and passion for all things paranormal began in childhood listening to family ghost stories. An internationally acclaimed psychic medium he is the celebrated author of two books, "Communications from the Other Side," and "We Are Never Alone."
