Maiden for the Vikings: Pillaged and Plundered (Historical Group Erotica)
By Circe Ridley

"But I can't take all of them! Not at the same time..."

Elizabeth won't marry before she finds the right man. She is **innocent, pure and sweet**, but the needs of her body are anything but. She wants a **real man**, not one of the scrawny guys around her little town.

When the Viking captain Bjorn and his band of men show up at her little home, everthing is about to get a lot more rough! The **muscled, wild men need to taste and take** her. Elizabeth is given the choice of **pleasing all of them** or have her village suffer. With men as **hot** as the Vikings and driven on by their **insatiable desire to fill her every hole**, Elizabeth won't say no.

One thing is for certain, Elizabeth won't be innocent after they get through with her!
