THE Book on Dating: Strategies Every Guy Should Know By Mark Dice

Mark Dice instills into the minds of men that contrary to popular belief, countless beautiful girls do not have boyfriends, and are in fact single and lonely. He offers numerous simple strategies to start conversations with girls in any situation and walk away with their phone numbers and your first date already scheduled. (Or pre-date screening, as he calls it.)

Also learn how to subtly convey your assets (financial, social, emotional, and spiritual) to women so they'll know what you have to offer a relationship.

Aside from "pick-up" strategies, you'll also discover how to ensure that your relationship has what it takes for long term success, and all without coming across as a typical scumbag.

"Powerful. Simple. Effective. THE Book on Dating simply ROCKS!" - J-Dog, co-host of VH1's The Pickup Artist

"This book rules!" - David Faustino, "Bud" Bundy on Married with Children
