

The Truth About Uri Geller

By James Randi

The Truth About Uri Geller By James Randi

There is more to Uri Geller than his countless "miracles" - and James (The Amazing) Randi tells all in this fascinating examination of the Geller myth.

- What really makes Geller run?
- Why have scientists reported on all Geller's "successful" psychic tests and ignored his many failures?
- Why will Uri perform almost anywhere, anytime, except in front of professional magicians?
- Can Geller actually bend spoons, keys and nails with his "psychic" powers?
- Why do people around the world continue to believe Geller has magic powers, when his tricks have been exposed many times?

In an eye-opening exposé, Randi provides a devastating blow to Geller and the pseudoscience of parapsychology.
