Editorial Review

From Publishers Weekly

The fourth in the series tells the story of divorcee Megan O'Brien's reunion with her husband Mick. Twelve years after their divorce, they're ready to remarry, but not all of their adult children, particularly Connor (who was especially hurt by the divorce), support the decision. In an argument over it, Mick banishes Connor from Thanksgiving, and no subsequent apologies can bring him around. But the big day arrives and, with it, Connor's girlfriend, who hands over an infant named Mick, giving the family a shock: no one knew Connor had a girlfriend-or a baby. Slowly the O'Briens mend their relationships, growing stronger and closer as a family. Woods's latest is the most benign of fantasies, complete with awkward dialogue ("Age and maturity are two different matters. I'm not surprised that you don't know that, big brother."), flat characters, clunky plot devices, and a predictable outcome. It is also a surprisingly pleasant read, and sure to satisfy fans of the series.

Now that their five children are all grown, Mick and Megan O'Brien have been slowly reconciling their differences and moving toward remarriage. But while Mick has changed in many important respects, Megan worries that his ingrained take-charge personality will be an issue; she is unwilling to abandon her independence until everything falls perfectly into place and all five of her children approve. Connor, especially, hides his hurt behind an insouciant facade; and when the O'Briens discover that he's also been hiding his longtime girlfriend and their nine-month-old baby from them, Mick loses his temper and jeopardizes his final chance at happiness. Woods continues her popular and heartwarming Chesapeake Shores contemporary romance series with a holiday-themed second-chance romance for the elder O'Briens, while updating her readers on their children and paving the way for Connor, his sister Jess, and good friends Susie and Mack to find their own true loves in her upcoming trilogy. --Lynne Welch
