Editorial Review

Review

"I saw a recommendation for this series from a facebook post on alternatives for Catholics besides the Magic Tree House series... We are currently reading the 5th book in the series and enjoy each one as much as the first. I have recommended the series to many friends and to a local Catholic bookstore."

"I'm grateful to Sister Maria Grace Dateno, FSP for offering not only an idea but an exciting example of how to bring Scripture to life in a way even modern kids will love! ... The tales are great for both boys and girls - offering them face to face encounters with Scripture, framed in away they will truly understand. For parents seeking a way to bring more Scripture and family discussion into their home, apart from Sunday Mass, this is a great tool and an engaging step forward."
