**Hexed** By Michelle Kryz

**It's *Bring it On* meets *The Craft* in this spellbinding witchy series debut.**

A stolen book. A deadly plan. A destiny discovered.

If high school is all about social status, Indigo Blackwood has it made. Sure, her quirky mom owns an occult shop, and a nerd just won't stop trying to be her friend, but Indie is a popular cheerleader with a football-star boyfriend and a social circle powerful enough to ruin everyone at school. Who wouldn't want to be her?

Then a guy dies right before her eyes. And the dusty old family Bible her mom is freakishly possessive of is stolen. But when a frustratingly sexy stranger named Bishop enters Indie's world, she learns that her destiny involves a lot more than pom-poms and parties. If she doesn't get the Bible back, every witch on the planet will die. And that's seriously bad news for Indie, because according to Bishop, *she's* a witch, too.

Suddenly forced into a centuries-old war between witches and sorcerers, Indie is about to uncover the many dark truths about her life - and a future unlike any she ever imagined on top of the cheer pyramid.

### Editorial Review

#### Users Review

##### From reader reviews:

##### **Lewis Labelle:**

Book is written, printed, or created for everything. You can learn everything you want by a book. Book has a different type. We all know that that book is important matter to bring us around the world. Close to that you can your reading skill was fluently. A book Hexed will make you to possibly be smarter. You can feel far more confidence if you can know about anything. But some of you think that open or reading a book make you bored. It isn't make you fun. Why they may be thought like that? Have you searching for best book or acceptable book with you?

##### **Nancy Jackson:**

In this 21st centuries, people become competitive in each way. By being competitive today, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by surrounding. One thing that at times many people have underestimated this for a while is reading. Sure, by reading a reserve your ability to survive boost then having chance to remain than other is high. To suit your needs who want to start reading a book, we give you this particular Hexed book as nice and daily reading publication. Why, because this book is usually more than just a book.

##### **Laura McCallum:**

This book untitled Hexed to be one of several books that will best seller in this year, that's because when you read this book you can get a lot of benefit upon it. You will easily to buy this book in the book store or you can order it by way of online. The publisher in this book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Smart phone. So there is no reason to you personally to past this publication from your list.

##### **Loretta Pena:**

Precisely why? Because this Hexed is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book adjacent to it was fantastic author who write the book in such wonderful way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book get such as help improving your skill and your critical thinking way. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.
