Branden Hampton: I’ve spent the last half of my life building brands and becoming a master marketer. I have conquered algorithms and created dozens of methods on hacking success with social media. I was one of the first social media influencers in the world, so early that “social media influencer” wasn’t even a thing yet. I was previously rated by Forbes the #1 social media influencer in the world, I’ve spent the past 6 years on social media and have amassed a network of over 32,000,000 followers. My main focus is obtaining and growing some of the most premium handles in the highest monetizing spaces like @fitness, @marijuana, @makeup, @beauty, @weddings, and dozens of others. The past few years, Dan and I have taken a Shark-Tank-Like approach to investing our time, energy and resources into growing businesses and are rewarded by taking a vested interest in those companies. We currently have a portfolio of nearly 3 dozen companies that we help with every aspect of their business.
