

True North Book One Finding Home Livie and Jake (Volume 1)

By Allie Juliette Mousseau

True North Book One Finding Home Livie and Jake (Volume 1) By Allie Juliette Mousseau

"When you're lost... True North" The North brothers were hell on wheels-adrenaline-junky bad boys. You'd think they had a death wish – every one of them – but they didn't really, they just got off on the thrill of pushing every limit, that gravity or any other force told them they couldn't conquer. What they weren't prepared for were the women that would steal their hearts. Book 1 True North Finding Home Livie and Jake Livie Morrisey is dreading seeing Jake after his heroic homecoming from Afghanistan. She's been in love with Jake North since she was a little girl, but he was three-and-a-half years older than her and her big brother's best friend. She was always nothing but the off-limits little sister – until the night before Jake left for the Army, when he'd given her her first kiss. They'd kept in touch for a year, but once Jake was deployed to Afghanistan, he'd cut off contact suddenly and she'd never heard from him again. For the past three years Livie has kept herself distracted with homework and her university studies, but now Jake's going to be up close and personal. And Livie can't decide if tonight's finally the night to prove to Jake she's all grown up or the night she should let him go forever.

Editorial Review

About the Author

Allie Juliette Mousseau writes sexy, emotionally-charged New Adult and Adult romance and is a USA Today Bestselling author.

She can always be found writing and dreaming about sexy, damaged, heroic, alpha males and plotting ways to make them fall in love!

She loves playing in puddles with her children, hiking with her husband, and traveling and adventuring everywhere she can - whether it's somewhere in the world, at her local library, within the pages of a good book or even in her own mind.

She believes life should be filled with love, laughter, adventure and forgiveness.

Sometimes she misses the mountains of Montana but is becoming quickly fond of the crashing waves and salty smell of the Pacific Ocean, towering palm trees and long beach walks during sunset at her new home in southern California where she now lives with her loving husband, children, and 85 lb golden retriever.

After living for three years in her RV with her family visiting the national and state parks and forests of the U.S. and a couple Canadian provinces, all parks feel like home. She is excited to add all of Canada and Alaska in the near future!
