This is perfect for fans of Twilight. What do you run from? Katelyn had only been in Wolf Springs a short time before she was bitten by a werewolf. And now she carries that creature's curse in her veins. But she's not alone. Wolf Springs is home to a hidden family of werewolves, the Fenners - who swear none of them bit her. Apparently there's a monster on the loose - something wild and uncontrollable. And to make matters worse, Katelyn's struggling to resist her own animal urges. Especially around Trick and Justin. Should she follow her heart - or her instincts? This is the red-hot sequel to Wolf Springs Chronicles: Unleashed.
