

2016 PDR Nurse's Drug Handbook

By PDR Staff

2016 PDR Nurse's Drug Handbook By PDR Staff

Nurses are on the front line when it comes to safe medication use and counseling patients. The *2016 PDR® Nurse's Drug Handbook* provides all nursing professionals, no matter what the clinical setting, with an accurate, up-to-date, and easily accessible guide to the most commonly prescribed drugs. Based on the FDA-approved prescribing information, PDR's staff of pharmacists has developed concise monographs that highlight the most important information on each drug, including its approved use; dosages; interactions with other drugs, food, and alcohol; side effects; safety information; and more. Clear, straightforward nursing considerations provide guidance on proper patient assessment and monitoring, as well as patient counseling and drug administration. In addition, product comparison tables are updated for each edition, with new tables added to reflect the latest information and current practice standards.

Editorial Review

Users Review

From reader reviews:

Flora Young:

Book is written, printed, or created for everything. You can learn everything you want by a reserve. Book has a different type. As you may know that book is important point to bring us around the world. Close to that you can your reading expertise was fluently. A e-book 2016 PDR Nurse's Drug Handbook will make you to possibly be smarter. You can feel a lot more confidence if you can know about every little thing. But some of you think this open or reading the book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you looking for best book or suitable book with you?

Shawn Macdonald:

What do you regarding book? It is not important along with you? Or just adding material when you need something to explain what you problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is make you feel bored faster. And you have spare time? What did you do? Every individual has many questions above. The doctor has to answer that question simply because just their can do which. It said that about publication. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this particular 2016 PDR Nurse's Drug Handbook to read.

Jerald Higgins:

The reason? Because this 2016 PDR Nurse's Drug Handbook is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who also write the book in such remarkable way makes the content inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I were being you I will go to the guide store hurriedly.

Jose Williams:

Is it a person who having spare time in that case spend it whole day by simply watching television programs or just resting on the bed? Do you need something new? This 2016 PDR Nurse's Drug Handbook can be the respond to, oh how comes? It's a book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these books have than the others?
