By Paul Sohn

Quarter-Life Calling: How to Find Your Sweet Spot in Your Twenties By Paul Sohn

The big idea behind Quarter-Life Calling is that your twenties is the best time and place in your life to start discovering God's calling in your life and imagining the possibility of what it might look like to hit your sweet spot in life. This is a book for millennials who want to break free from the rat race – for those who believed they were created for something more.

Paul Sohn introduces millennials to the idea of calling as the foundation for living a life of intentionality, fulfillment and significance. Unlike many books on calling, this book is written by a Millennial for a Millennial and touches on the unique issues this generation wrestles with, including FOMO, YOLO and comparison mindset, and present bias. The author lays out a practical roadmap what it means to find your vocational sweet spot which is the intersection of your personality, gifts, passions and life story.
