About the Author

Cruising Guide Publications was created by Simon and Nancy Scott while living aboard their sailboat in the British Virgin Islands, and later, working in the bareboat charter industry for twenty years. There was a need for comprehensive guides to aid cruisers and charterers exploring the Caribbean island chain. These guides include not only navigational information, but also the rich history of the Caribbean islands, folklore, the flora and fauna, as well as where to go for diving, snorkeling and shore side entertainment and of course, what to do in an emergency. We have made it our mission to answer all the questions we had from charterers and cruisers and to add details and background about the islands to enhance the cruising experience.
