The Foundations of Better Woodworking: How to use your body, tools and materials to do your best work By Jeff Miller

Woodworking with Mind, Body, and Senses

What's the secret to producing beautiful furniture that you and your family will treasure for generations? It starts with the fundamentals--those essential, yet often overlooked principles upon which all of your skills should be based.

In *The Foundations of Better Woodworking*, craftsman, teacher and noted woodworking author **Jeff Miller** clearly lays out these basic concepts, helping you understand:

- How proper body position and mechanics improve your ability to cut precise joints, as well as add efficiency and safety.
- Just what it means to cut a line.
- How the wood works, so you can avoid such problems as tear out, splitting and warping--whether you use hand tools, machinery or both.
- How woodworking tools actually cut and work, so you learn to use them more easily, effectively and accurately.

Follow the advice in this book and you'll build the foundation for making significant advances as a woodworker. Your time in the shop will be more rewarding, and your results more satisfying.

Editorial Review

About the Author

Jeff Miller is a designer, craftsman, prolific writer, and an active teacher both at his own woodworking school in Chicago, and at furniture schools around the country. His furniture has won numerous awards, has been in shows around the country, and is in the collection of the Chicago History Museum. His book *Chairmaking and Design* won the Stanley Award for Best How-To Book of 1997 (and his companion video *Chairmaking Techniques* won best video as well). He has also written the books *Beds* and *Children's Furniture* and has contributed chapters to *Furniture for All Around the House* and *Storage Projects for All Around the House* for The Taunton Press and is a frequent contributor to *Fine Woodworking* and now *Popular Woodworking* magazines.

Users Review

From reader reviews:

Joseph Wilson:

A lot of people always spent all their free time to vacation or go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. If you want to try to find a new activity that's look different you can read a new book. It is really fun for yourself. If you enjoy the book that you simply read you can spent the entire day to reading a book. The book *The Foundations of Better Woodworking: How to use your body, tools and materials to do your best work* it is quite good to read. There are a lot of those who recommended this book.
