The Wisdom and Teachings of Stephen R. Covey By Stephen R. Covey

This commemorative collection captures the essence of Dr. Stephen R. Covey’s most profound teachings on business, success, management, family, and love.

Stephen R. Covey passed away in July 2012, leaving behind an unmatched legacy with his teachings about leadership, time management, effectiveness, success, and even love and family. A multimillion-copy bestselling author of self-help and business classics, Dr. Covey strove to help readers recognize the key elements that would lead them to personal and professional effectiveness. His seminal work, *The 7 Habits of Highly Effective People*, transformed the way people act on their problems with a compelling, logical, and well-defined process. Indeed, many of the habits have been assimilated into everyday thinking and everyday conversation. For example, the expressions “win/win” and “first things first,” to name a few, have been incorporated into almost every business culture around the world.

The Wisdom and Teachings of Stephen R. Covey is a compilation of Dr. Covey’s most insightful, inspiring teachings and sayings. His profound influence spread beyond businesses and individuals and was even integrated into governments, school systems, and many other institutions with great success. This book covers his most impactful topics: time management, success, leadership—including principle-centered leadership— all of the 7 Habits, love, and family. This powerful collection is a lasting tribute to the inspirational luminary that so many will miss.

Selected Wisdom from Stephen R. Covey:

“How different our lives are when we really know what is deeply important to us, and keeping that picture in mind, we manage ourselves each day to be and to do what really matters most.”

“Live, love, laugh, leave a legacy.”

“But until a person can say deeply and honestly, ‘I am what I am today because

of the choices I made yesterday,' that person cannot say, 'I choose otherwise.'”

“Seek first to understand, then to be understood.” “To touch the soul of another human being is to walk on holy ground.”

Editorial Review

About the Author

Recognized as one of *Time* magazine's twenty-five most influential Americans, Stephen R. Covey (1932–2012) was an internationally respected leadership authority, family expert, teacher, organizational consultant, and author. His books have sold more than twenty-five million copies in thirty-eight languages, and *The 7 Habits of Highly Effective People* was named the #1 Most Influential Business Book of the Twentieth Century. After receiving an MBA from Harvard and a doctorate degree from Brigham Young University, he became the cofounder and vice chairman of FranklinCovey, a leading global training firm.

INTRODUCTION

This book contains the crystallized wisdom of one of the great teachers of our time, Dr. Stephen R. Covey.

As a young man, Dr. Covey was expected to work in his family hotel business, but that wasn't the path for him. He wanted to make a different contribution—to be a teacher, to dedicate his life to unleashing human potential. "Every human being is precious," he wrote, "endowed with enormous, almost infinite potential and capacity."

To that end he studied at Harvard graduate school, became a university professor, and then widened his circle of influence as a consultant to business and government leaders. With the 1989 publication of *The 7 Habits of Highly Effective People*, considered by many the most influential book of our time, Dr. Covey had—and continues to have—worldwide impact. This book and his others can be found in home and office libraries literally around the globe.

Not only his teaching but his life reminds us of the power of enduring principles. He was not interested in riding fads or pandering for publicity. His passion was to articulate and teach the unchanging, immutable, and ageless truths of life—truths that apply equally well to professional success and to deep personal satisfaction. He also lived by those truths, as countless friends, family members, and students of Dr. Covey will attest.

Arranged under the decisive principles of life—such as integrity, life balance, vision, and love—the stories and quotations in this book teach those principles in accessible, gemlike form.

Although Dr. Covey has passed from us, we will always have the benefit of his timeless teachings—that truth is truth and is self-evident, that you can't live without principle and expect the universe to accommodate you, and that your life is a precious one that you can waste in mediocrity or invest in greatness.

—The Covey Family

Users Review

From reader reviews:

Loretta Faria:

This The Wisdom and Teachings of Stephen R. Covey book is not really ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is information inside this guide incredible fresh, you will get facts which is getting deeper anyone read a lot of information you will get. This specific The Wisdom and Teachings of Stephen R. Covey without we know teach the one who examining it become critical in thinking and analyzing. Don't end up being worry The Wisdom and Teachings of Stephen R. Covey can bring whenever you are and not make your handbag space or bookshelves' become full because you can have it inside your lovely laptop even cellphone. This The Wisdom and Teachings of Stephen R. Covey having great arrangement in word as well as layout, so you will not really feel uninterested in reading.

Paul Birch:

Nowadays reading books be a little more than want or need but also get a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that improve your knowledge and information. The data you get based on what kind of e-book you read, if you want have more knowledge just go with knowledge books but if you want feel happy read one using theme for entertaining such as comic or novel. The actual The Wisdom and Teachings of Stephen R. Covey is kind of e-book which is giving the reader erratic experience.

Melvin Bragg:

Don't be worry in case you are afraid that this book can filled the space in your house, you might have it in e-book approach, more simple and reachable. That The Wisdom and Teachings of Stephen R. Covey can give you a lot of buddies because by you investigating this one book you have issue that they don't and make you actually more like an interesting person. That book can be one of one step for you to get success. This book offer you information that perhaps your friend doesn't understand, by knowing more than some other make you to be great persons. So , why hesitate? We should have The Wisdom and Teachings of Stephen R. Covey.

Yolanda Matlock:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Wisdom and Teachings of Stephen R. Covey can make you truly feel more interested to read.
