Forbidden Heat (Forbidden, Book #2) By R.L. Kenderson

She's a cat-shifter struggling for her life. He's the wolf-shifter that saves her. Now they're alone in the woods with nothing but their desire, her impending mating heat, and a secret he can't reveal.

Payton Llewelyn, daughter to the cat-shifter alpha, wakes up with a throbbing head and a bullet wound to the hip. Recalling the events that led her there, the scent of a shifter permeates her senses—not that of a cat though, but of a wolf.

Damien Lowell, future pack leader of the wolf-shifters, has found himself in an impossible situation. Cat-shifters and wolf-shifters aren't friends, and what Payton doesn't know is that his father is behind her attack. He only meant to prevent her from being kidnapped, and he now has the wounded princess of the cat-shifters in his custody.

But when the heat becomes too much to handle, Damien and Payton must choose whether to follow their instincts or question the forbidden.

About the Author

R.L. Kenderson is two best friends writing under one name. Renae has always loved reading and in third

grade wrote her first poem where she learned she might have a knack for this writing thing. Lara remembers sneaking her grandmother's Harlequin novels when she was probably too young to be reading them, and since then she knew she wanted to write her own.

When they met in college, they bonded over their love of reading and the TV show *Charmed*. What really spiced up their friendship was when Lara introduced Rena to romance novels. When they discovered their first vampire romance, they knew there would always be a special place in their hearts for paranormal romance. After being unable to find certain storylines and characteristics they wanted to read about in the hundreds of books they consumed, they decided to write their own.

They both live in the Minneapolis/St. Paul area where they're a sonographer/stay-at-home mom/wife and a pharmacist/mother by day and a sexy author by night. You can find them at rlkenderson.com, Facebook, Instagram, Tumblr, Twitter, and Goodreads. Or you can email them at rlkenderson@rlkenderson.com. They always love hearing from their readers.
