Linked: They will pay for concealing the truth... (Cage of Lies Book 2) By Susanne Valenti

In a world she never knew existed, Maya is coming to terms with how much her life has changed. Danger lurks around every corner, nothing is as she expects and she's never felt so alive. But the choices she makes could change everything and jeopardise the things she cherishes most. There is so much to learn and so much to love but her heart is pulling her back. The Guardians are hiding in the shadow cast by their Wall, concealing the truth from the people inside. It's a shadow that darkens her happiness and she can't stop fighting until the truth comes to light. It would be easier to walk away but Maya has never run from anything and she's not about to start now.
