

Special Education in Contemporary Society: An Introduction to Exceptionality

By Richard M. Gargiulo

Special Education in Contemporary Society: An Introduction to Exceptionality By Richard M. Gargiulo

Providing teachers with a firsthand look into the lives of children with exceptionalities, as well as their families and educators, this fully updated Fourth Edition of Richard Gargiulo's acclaimed text provides a highly readable, research-based introduction to the field. Blending theory with practice, the book helps pre-service and in-service teachers develop the knowledge, skills, attitudes, and beliefs they'll need to construct learning environments that make it possible for all students to reach their potential.

Editorial Review

Review

"I found this book to extremely valuable as a college special education textbook. It is well organized, contains detailed and useful information for teachers. The sections containing firsthand accounts of people with various disabilities is very helpful. The book contains valuable information about the history of special education and current practices in the field. The Appendix at the end of the book regarding CEC Standards correlated with each chapter is useful for professors. The inclusion of teacher friendly sections in each chapter makes this a superior book for use in special education classes; these sections include "effective instructional practices", "Making inclusion work" and "suggestions for the classroom." Each chapter contains useful tables and figures filled with practical information for teachers. Finally the end of chapter has a useful summary, list of key terms, study questions and a Student Study Site for students to access online with other resources to assist and enhance student learning...I was very impressed by it." (Dr. Brian Abrams *QC, CUNY*)

About the Author

Richard Gargiulo is a Professor of Special Education in the School of Education at the University of Alabama at Birmingham. He has a Master's degree and Ph.D. from the University of Wisconsin-Madison. In 1999, he was awarded the University's President's Award for Excellence in Teaching.
