The Bears of Blue River By Charles Major

The Bears of Blue River by Charles Major. Illustrated edition by A. B. Frost and Others. The Bears of Blue River describes the adventures of a young boy growing up in early nineteenth-century rural Indiana.

Little Balsler lives with his parents, a younger brother, and a baby sister in a cozy log cabin on the bank of the Big Blue River. Although only thirteen or fourteen years old, he is quite familiar with the dangers and rigors of frontier life. As the story unfolds, the boy becomes lost in the forest, encounters the fierce one-eared bear, and is nearly caught by a bear as he dozes next to what he thinks is a bearskin. This is a book for children or adults who love nature and tales of early pioneer life.

Charles Major (1856–1913) was an American lawyer and novelist. Writing remained an interest of Major, and in 1898, he published his first novel, *When Knighthood Was in Flower* under the pseudonym Edwin Caskoden.

Editorial Review

From the Back Cover

Away back in the 'twenties', when Indiana was a baby state, and great forests of tall trees and tangled underbrush darkened what are now her bright plains and sunny hills, there stood upon the east bank of Big Blue River, a mile or two north of the point where that stream crosses the Michigan road, a cozy log cabin of two rooms-one front and one back.

About the Author

Charles Major (1856-1913) was an American lawyer and novelist. Born to an upper-middle class Indianapolis family, Major developed an interest in both law and English history at an early age and attended the University of Michigan from 1872 through 1875, being admitted to the Indiana bar association in 1877. Shortly thereafter he opened his own law practice, which launched a short political career, culminating in a year-long term in the Indiana state legislature. Writing remained an interest of Major, and in 1898, he published his first novel, *When Knighthood Was in Flower*. The novel about England during the reign of King Henry VIII was an exhaustively researched historical romance, and became enormously popular, holding a place on the New York Times bestselling list for nearly three years. Major continued to write and publish several additional novels, to varying degrees of success, as well as a number of children's adventure stories, most set in and around his native state of Indiana.

Users Review

From reader reviews:

Susan Williams:

In this 21st hundred years, people become competitive in every way. By being competitive right now, people have to do something to make them survive, being in the middle of the actual crowded place and notice by simply surrounding.
