Editorial Review

From Library Journal

Wall (*Our Money, Our Selves* , LJ 6/1/92) presents a disciplined approach to managing personal finances that first recognizes the need to overcome certain common psychological barriers that prevent many people from achieving control of their money. Chapters written in checklist fashion reinforce her advice to become organized. The result is a primer that provides a useful overview of the financial planning process at the expense of some thorough discussion of certain topics. Wall is a Certified Public Accountant and a Certified Financial Planner so her advice is unbiased. A worthwhile addition to general collections.
