### Unhinged (The Encounter Trilogy: Book 2) By Pamela Ann

He came into my life in the most unconventional way, turning my world upside down when I least expected it.

He was my dark knight amidst the chaos that was my life. His persistence in conquering me tested my resistance, and at one point, I thought I had prevailed. However, the immediate turn of events left me shocked and alone. He left me when I wasn't ready to walk away.

For months, I searched for him, stalking the internet for any news of him, hoping that one day I would get to see him again. Nevertheless, he was great at covering his tracks, and I was left resorting to tactics I hadn't considered before.

I simply wanted another chance. He had wanted me once. He could want me again, couldn't he? He left a gaping hole in my life, and I knew nothing could ever fix it, except him. I was will-ing to put myself out there for him to relish, criticize, and devour at his will.

The heart wants what it wants, and it wanted Hugo Xavier.
