An Introduction to Community Health Brief Edition By James F. McKenzie, Robert R. Pinger

An Introduction to Community Health Brief Edition is a condensed and fully updated version of the bestselling classic health text. It is ideally suited for students in Health Education, Nursing, and Social Work programs. Like the full-length text, the condensed edition provides comprehensive coverage of epidemiology, adolescent and child health, health and safety in the workplace, environmental health, and minority and elder health. This is the only condensed community health text on the market and is suitable for institutions with shorter academic terms.
