Gorilla By Anthony Browne

Anthony Browne's incomparable artwork illuminates the deeply satisfying story of a lonely girl, a friendly gorilla, and their enchanted night out.

Hannah spends all of her time reading gorilla books, watching gorilla TV shows, and drawing gorilla pictures. She has gorillas on her bedside lamp and even on her box of cereal. Hannah loves gorillas and longs to see a real one, but her father is always too busy - or too tired - to take her to the zoo. Then, on the night before her birthday, something extraordinary happens - and Hannah's wish comes gloriously true.

Editorial Review

From Publishers Weekly

Anthony Browne's *Gorilla* reappears this fall, nearly 20 years after its original publication. The surreal story captures Hannah on the eve of her birthday and follows her escapades with a toy gorilla gift that comes to life; art and film fans will enjoy seeing gorilla mugs in place of the faces on the Mona Lisa, Whistler's mother and Superman, among others.

Review

Anthony Browne has painted a new cover for the 30th-anniversary edition of one of his most touching and memorable picture books, *Gorilla*. ... This new jacket is as good an excuse as any to introduce this wonderful book to any child from age 4 to 10 who might otherwise miss it.

—The Wall Street Journal

If you don't have it, the 30th-anniversary edition of this classic 1983 story is worth adding to your child's library. ... Illustrations perfectly reveal Hannah's longing and the trepidation of a child asking for something when she already knows the answer: No.

—San Antonio Express-News

From the Inside Flap

Illus. in full color. "Children feel neglected when parents are preoccupied with other concerns, and young Hannah is no exception. But Hannah has an imaginative outlet--she adores gorillas. On the eve of her birthday, a toy gorilla magically comes to life, and together the two swing through the trees to the zoo. An exuberant story of a lonely girl and a winsome ape."--(starred) *School Library Journal*. "Browne has created a picture book that explores real emotions with a beautifully realized child protagonist."--(starred) *Horn Book*.

Users Review

From reader reviews:

Allen Goehring:

This *Gorilla* tend to be reliable for you who want to certainly be a successful person, why.
