José Watanabe: el ojo que nos descubre: La poesía de un nikkei peruano (Spanish Edition) By Randy Muth

A finales de siglo XIX emigrantes japoneses, escapándose de la pobreza y desesperación en su país nativo, atravesaron el Océano Pacífico destinados a satisfacer las necesidades laborales de la creciente industria agrícola en Sudamérica. Más de un siglo después los descendientes de los primeros colonos japoneses destacan en los campos artísticos por su visión singular de la realidad, una amalgama de elementos orientales y occidentales. El distinguido poeta peruano José Watanabe ejemplariza este fenómeno a través de su voz poética realmente sin par en la literatura contemporánea.
