Karen Robards CD Collection: Bait, Superstition, Vanished By Karen Robards

Bait: It's a business trip that takes attorney Maddie Fitzgerald down to New Orleans, but it's hardly business as usual when a man breaks into her hotel room and tries to kill her. Apparently, she's been mistaken for another woman, an FBI informant. When Maddie is attacked a second time, FBI agent Sam McCabe convinces her that the only way she'll ever be safe again is if the killer is caught, and the quickest way to nab him is to use her as bait. **Superstition:** Pawleys Island, South Carolina. Sunny, idyllic, and picture-perfect, until a tabloid news program airs a splashy segment about the community's only unsolved murder. Reporter Nicole Sullivan arranges for her mother, a renowned psychic, to contact the three victims in a live séance. But something goes terribly wrong during the segment, and a young woman is murdered in the same manner as Tara Mitchell was fifteen years earlier. **Vanished:** Seven years ago, Sarah Mason's five-year-old daughter vanished during an outing at a park in Beaufort, South Carolina. Little Lexie was never found, and Sarah was left to pick up the pieces of her shattered life and go on the best she could. Then, one hot August night, Sarah comes home to hear the phone ringing. When she picks it up, a child's terrified voice whispers, "Mommy, help, come and get me . . ."
