Somebody to Love (Rock Stars in Disguise: Tryp): A New Adult Rock Star Romance By Blair Babylon

It's one of the rules of the rock and roll road: the band and the roadies don't mix. The band snubs the roadies because they're uncultured grunts, and the roadies hate the musicians because they're spoiled brats. **Meet Tryp**, the rock star drummer for Killer Valentine, the hottest band on the planet. *He's young, he's rich, and his whirlwind life of liquor, women, and screaming crowds is perfect, just as long as he never sobers up.* **Elfie Tils** has been a **pyrotechnics technician** (don't call her a "roadie.") with the breaking-out rock band Killer Valentine for two years, ever since she ran away from home. **The musicians of Killer Valentine are starting to crack from the unrelenting stress and limitless excess of touring.** When the band manager tasks Elfie with babysitting Tryp, she tries being a little kind to him and quickly discovers that his problems are far deeper than the rock and roll lifestyle. *Can the love of a rock drummer and the pyromaniac roadie survive?*

~Kats Book Promotions

"This was my first Blair Babylon book and I was on a roller coaster. Tryp and Elfie need to read by all, a raw story of friendship and love. Truly only the strong survive. I want more of these two."~Romance Bytes

"What a pair! This story had me clutching my chest. I loved Tryp. His damaged and broken soul tugs at your heart strings. His need to spiral down into the darkness to escape his past will have you wanting to comfort him and just whisper sweet nothings in his ear. The unlikely friendship was definitely the perfect route for this story. Elfie definitely proved herself worthy and I loved her determination and strength. Blair Babylon delivers a truly emotional story that had me on one helluva emotional roller coaster. Looking forward to reading more from this series." ~Jennifer's Book Obsession

"Blair Babylon knows what she is doing. This is some of the best romance I have read, hands down. It's got a little bit of everything, for everyone....the story was so well written, infused with sex, humor and drama, that I would gladly read it over and over again." ~Contagious Reads Blog

"If I could give 10 stars I would! I adore this book, I have read it two times completely and many times parts of it." ~Katrina's Books Blog

About the Author

Blair Babylon is the nom de plume of an award-winning, USA Today bestselling author who regularly publishes literary and suspense fiction. Because professional reviews of her other fiction usually included the caveat that there was too much deviant sex and too much twisty-turny plot, she decided to abandon all literary pretensions, let her freak flag fly, and write hot, sexy, erotic romance and wild, suspenseful thrillers, science fiction, and urban fantasy.
