Touched with Our Feelings: A Historical Survey of Adventist Thought on the Human Nature of Christ By J. R. Zurcher

Just how much was Jesus like us when He was here on earth? In this study on the nature of man, J R Zurcher examines the biblical doctrine of Christ's human nature. Carefully tracing the development of the doctrine of Christ within the Adventist church, Zurcher maintains that the glory of our Saviour's successful mission to this world is enhanced, not diminished, by the fact that He triumphed in spite of taking all the liabilities of "sinful flesh."
